MINISTER'S OVERSEAS TRAVEL OUTCOME REPORT

TRAVEL DETAILS

DEPARTURE DATE 4 March 2019 **Return Date** 15 March 2019

DESTINATIONS (COUNTRY/IES) Tokyo, Seoul and Shanghai

I travelled to Tokyo, Seoul and Shanghai from 4 to 15 March 2019.

The purpose of my travel was to fulfil the South Australian Government's election commitment to open the South Australian Trade and Investment Office, servicing North East Asia, located in Tokyo, Japan.

I was accompanied at various stages of the mission by:

- Ms Megan Antcliff, Deputy Chief Executive, Department for Trade, Tourism and Investment (DTTI)
- Mr Scott Kompo-Harms, Chief of Staff, Office of the Minister for Trade, Tourism and Investment
- Mr Richard Day, A/Director, Low Carbon Economy Unit
- Mr Owen Sharpe, Principal Industry Development Officer (Hydrogen), Department for Energy and Mining
- Ms Junfeng Zhu, Manager, North East Asia, DTTI
- Ms Judith Kottmann, A/Event Manager, DTTI; and
- Ms Jacqueline Schiller, Manager, International Coordination, DTTI.

DISCUSSION

1. The objective of my visit was to fulfil the South Australian Government's election commitment to open the South Australian Trade and Investment Office, servicing North East Asia, located in Tokyo, Japan. The office was officially opened by His Excellency the Governor, the Honourable Hieu Van Le AC, Governor of South Australia on 7 March 2019.
2. The appointment of Ms Sally Townsend, Commissioner-South Australia, Japan and Korea, who will head up the new office was announced at the official opening. While in Tokyo, I had the opportunity to discuss with Ms Townsend the critical importance of the North East Asia market.
3. Another objective of my travel was to support South Australian businesses participating in FOODEX Japan 2019, one of Asia's largest exhibitions dedicated to food and beverages.
4. My visit to Tokyo was preceded by Mr Paul Heithersay, Chief Executive, Department for Energy and Mining (DEM) in conjunction with three companies developing renewable hydrogen production projects in South Australia.
5. I also participated in meetings with key leading hydrogen companies to promote South Australia's credentials in the production and supply of renewable hydrogen, and investment opportunities in hydrogen infrastructure.

6. I also called on long-term investors Mitsubishi, NEC and Mitsui. We updated each other on newly arising opportunities and exchanged a commitment to further business development between South Australia and Japan.
7. I next travelled to the Republic of Korea (South Korea) where I again focused on promoting South Australia's credentials in the production and supply of renewable hydrogen. Whilst there I met with H2 Korea, a consortium of Korean companies. I also met with the South Korean Ministry of Trade, Industry and Energy (MOTIE) to discuss South Korea's recently launched National Hydrogen Roadmap to identify and promote opportunities for South Australian commercial participation. DTTI partnered with AustCham Korea to deliver a targeted networking reception where I met with Korean business leaders in the hydrogen and food and wine sectors.
8. During the trip, a number of opportunities were identified to partner with South Korean and Japanese consortia to conduct research and development on developing a hydrogen supply chain for the future export of South Australia's world class sun and wind resources.
9. The final leg of my visit was to Shanghai, where I toured the Jintang Island facility operated by Aozhou Cattle Industry Co. Ltd (ACI) in Zhoushan, to discuss the company's agribusiness expansion and proposed live export supply chain. The South Australian Trade and Investment Office (Shanghai) has been tasked with following up the company to further develop its ongoing business with South Australian companies.
10. I also visited Shanghai Changxing Island Fishing Port Co. Ltd where I toured its -50C cold storage and seafood processing facilities. Shanghai Changxing Island is keen to develop new trading opportunities with Port Lincoln seafood producers.

Subject: Travel for Mr Ridgway and Mr Kompo-Harms

Good afternoon Sarah

Thank you for your call.

As Trudy mentioned to your colleague Jennifer at the beginning of February, we do not raise invoices, but she did summarised costs for your reference:

Mr David Ridgway:

Business class: \$4570.00 (including \$235.00 taxes)

Mr Scott Kompoharms:

Economy Class \$1426.00 (including \$235.00 taxes)

Note that there is no GST on international Travel.

I can't give you a document that states Tax Invoice on it however I can let you have a copy of the basic ticket where the final cost charged to the credit card is shown :

For Mr Ridgway:
