

BUSINESS MISSION CALENDAR

EXPLORE. CONNECT. GROW.

Showcasing South Australia to the world.

The business activity calendar provides South Australian businesses within key sectors of economic growth, the opportunity to expand their export potential and international market footprint.

Outbound – providing a mechanism to showcase a company’s export capabilities and introductions to key contacts within interstate/international markets.

Inbound – providing the opportunity to welcome potential business partners/investors from around the globe to see first-hand, a company’s products and capabilities.

All business activity is sector based and programs are tailored to meet business requirements.

SECTORS

-  Creative Industries  Inbound activity
-  Defence and Space Industries  Outbound activity
-  Energy and Mining
-  Food, Wine and Agribusiness
-  Health and Medical Industries
-  Hi-Tech Sector
